Don,

Please accept this letter of gratitude on behalf of the Coral Springs-Parkland Fire Department, our training division and the men and woman you successfully trained. Your dedication and knowledge will ensure our members receive the very best in equipment and education.

Personally, I would like to thank you for your patience, guidance and professionalism throughout the entire vetting and purchasing process. I didn't meet a salesman or a pitch man, I met a brother in the fire service that loves his profession, recommended and delivered the right products for our agency. Your company and staff have been a pleasure to work with and we look forward to continuing our business and friendship for a long time.

Be well, be safe!

Sincerely,

Robert McGiloway
Division Chief
